

THIS IS YOUR SPACE TO COMPOSE FIVE LIMERICKS --

1. Your five limericks must EACH follow the form you learned about in the video. I will post the video in the stream, in case you need to view it again.
2. Your five limericks should be funny --and begin with:
“There was a _____ from _____”
3. Be picky. At the end of your favorite limerick, put the words “My Favorite.”
4. I will pick my favorite when I return it to you.
5. On Wednesday, you will be given the directions for what to do to create a recording that will be shared!
*** once you start typing, it will move the next Limerick heading down...
6. Remember to turn in this document according to the directions on the stream or Weiner GT website under Matilda at Home!
