Whatever you want to be when you grow up, be kind.

Kindness is contagious. Let’s make it go viral.

People may not always appreciate it when you are nice to them, but you can always feel good about *yourself* when you show kindness.

Kind words are the most powerful kind of words. They can lift you up, turn someone's day around, and start great friendships.

Remember: You can only be *cool* until you're 30 years old, max. However, you can be *kind* for your whole life.

A kind friend is the right kind of friend.
